

N.E.W Group

Adopted Principles

- Working to bring people along with us
- Acting with kindness and sensitivity
- Be willing to address disagreement and upset through dialogue
- Be willing to reflect on our actions
- Be willing to support each other in stepping into awkward and potentially difficult situations to work towards shared understanding
- Actively listen and attend to others opinions
- Take action at a speed that is appropriate to the people the action affects
- Undertake research into the actions we wish to take and the effect it may have on those in the community
- These principles can be added to or amended at any time through group agreement
